

CENTRAL WESTERN MAINE WORKFORCE DEVELOPMENT BOARD
INFRASTRUCTURE FUNDING AGREEMENT (IFA)
PY24: July 1, 2025-June 30, 2026

This IFA focuses on infrastructure cost sharing associated with the comprehensive one-stop for the Central Western Maine area, referred to as the **Lewiston CareerCenter**, located at 5 Mollison Way, Lewiston, Maine 04240.

WIOA required partners (WIOA Sec. 121(b)) are required to contribute toward infrastructure costs based on proportionate share and relative benefit to their program. Cost contributions can be cash, in-kind, or third-party contributions on behalf of the partner agency.

Infrastructure costs are defined as non-personnel costs necessary for the general operation of the one-stop and include, but are not limited to facilities costs including rent, utilities, maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including the center's planning and outreach activities.

The one-stop operating budget and infrastructure funding agreement establish a financial plan, including terms and conditions, to fund the operating costs of the comprehensive one-stop (the Lewiston CareerCenter). The Parties to this IFA agree that joint funding is an essential foundation for an integrated service delivery system. All Parties to this IFA recognize the infrastructure costs are applicable to all Parties whether they are physically located in the Lewiston CareerCenter or not. Each Party's proportionate use and relative benefit received are consistent with programs' authorizing laws, regulations, and Uniform Guidance.

A. Legal Authority:

The Workforce Innovation and Opportunity Act (WIOA) Sec. 121(c - e), requires the local board, with the agreement of the Chief Elected Official (CEO), to develop and enter into a Memorandum of Understanding between the Local Board and the one-stop partners concerning the services and operations of the one-stop delivery system in the local area. The sharing and allocation of infrastructure costs is governed by WIOA Sec. 121 (h) and the Federal Cost Principles and Uniform Administrative Requirements under 2 CFR Part 200.

B. Components of the IFA:

Pursuant to 20 CFR 678.755, 34 CFR 361.755, and 34 CFR 463.755, each local IFA must (at a minimum) include the following components:

1. The period of time in which this IFA is effective is consistent with the program year(s) of the WIOA grants;
2. Identification of the comprehensive one-stop center's infrastructure costs budget, which is a component of the one-stop system operating budget;
3. Identification of all one-stop partners, CEOs, and the local workforce board participating in the IFA;
4. A description of the periodic review process to ensure equitable benefit among one-stop partners;
5. Information on steps the local board, CEOs, and one-stop partners used to reach consensus or the assurance that the local area used the State Funding Mechanism (SFA); and
6. A description of the process to be used among partners to resolve issues related to infrastructure funding during the duration of the IFA in the event consensus cannot be reached.

C. Duration:

This IFA is entered into on July 1, 2025, and is made effective by the signing of the official signatories below. The term of this IFA is one year, so it will terminate on June 30, 2026. The one-year term allows for a renegotiated IFA, as the Lewiston CareerCenter will be remodeled and downsized, which will affect both residents and non-residents.

D. Parties to this IFA

Parties to this IFA are those required one-stop partners identified in WIOA Sec. 121(b)(1)(B) and which are required to ensure access to their services from the comprehensive one-stop in the local area. Required partner programs include:

1. Adult, Dislocated Worker, and Youth Programs authorized under Title I-B of WIOA, administered by:
 - Central Western Maine Workforce Development Board and Chief Elected Official
2. Wagner-Peyser Labor Exchange and Employment Services (29 U.S. C. 49 *et seq.*);
3. Trade Adjustment Assistance under the Trade Act of 1974 (19 U.S.C. 2271 *et seq.*); and
4. Jobs for Veterans State Grant (Chapter 41 of Title 38 U.S.C.) all three administered by:
 - The Maine Department of Labor Bureau of Employment Services.
5. Adult Education and Family Literacy Act programs, administered by:
 - The Maine Department of Education - Adult Education
6. Rehabilitation programs authorized under Title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 *et seq.*) as amended by WIOA Title IV administered by:
 - The Maine Department of Labor Bureau of Rehabilitation Services, specifically the
 - Division of Vocational Rehabilitation (DVR)
 - Division for the Blind and Visually Impaired (DBVI)
7. Job Corps programs authorized under Title III of WIOA, administered by:
 - Penobscot Job Corps
 - Loring Job Corps
8. YouthBuild programs authorized under Title I-D of WIOA, administered locally by:
 - N/A no YouthBuild recipients in the Central Western region
9. National Farmworker Jobs Program authorized under Title I-D of WIOA, administered by:
 - PathStone
10. Employment and training services under the Community Services Block Grant (42 U.S.C. 9901 *et seq.*)
11. Temporary assistance for Needy Families (TANF) authorized under Part A of Title IV of the Social Security Act (42 U.S.C. 601 *et seq.*) both administered by
 - Maine Department of Health and Human Services
12. The Senior Community Service Employment Program authorized under Title V of the Older Americans Act of 1965 (42 U.S.C. 3056 *et seq.*) administered in this local area by:
 - Associates for Training and Development (A4TD)
13. Career and Technical Education programs at the postsecondary level authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 *et seq.*) administered by:
 - The Maine Community College System
14. Programs authorized under the State unemployment compensation laws (in accordance with applicable Federal law), administered by:
 - Maine Department of Labor Bureau of Unemployment Compensation
15. Employment and training activities conducted by the Department of Housing and Urban Development, administered locally by,
 - N/A no HUD Employment and Training Fund Recipients in the Central Western Maine Region
16. Programs authorized under sec. 212 of the Second Chance Act of 2007 (42 U.S.C. 17532), administered by:
 - N/A no funding recipients in Maine

In collaboration with the One-Stop Operator and the Parties to the IFA the, Central Western Maine Workforce Development Board will ensure documentation of all communications with the required one-stop partners in regard to infrastructure cost sharing for current and future IFA development will be maintained. Such documentation must show how consensus was arrived at between all the Parties to the IFA on levels of cash and/or in-kind contributions toward infrastructure costs of the Lewiston CareerCenter.

F. Cost Allocation Methodology:

In previous iterations of the IFA, methodology was based on square footage (including individual and shared spaces), utilities, and technology costs associated with use by residents, and a shared cost of the information center (including square footage, utilities and technology) reflecting an 85% cost borne by the residents and a 15% cost split evenly among the non-residents. However, the methodology for the 2024-2025 IFA was renegotiated based on two changes: include usage as a portion of costs and a tiered system for non-residents. Usage was determined by a count that was kept at the receptionist area. The tiered system was developed based on the administrative budgets of non-residents and their ability to pay. These changes remain as part of the current IFA.

G. Cost Reconciliation:

All parties agree that a bi-annual reconciliation of budgeted and actual cost contributions will be conducted to ensure that costs contributed are reasonable based on proportionate share and relative benefit received. During the PY25 program year (July 1, 2025-June 30, 2026), the Lewiston CareerCenter will be remodeled to offer a smaller footprint for current residents, and a much-reduced information center, to which non-residents contribute, as well. The remodeling costs will be included in the rent of the resident partners. However, a smaller footprint will lower infrastructure costs (rent/utilities/maintenance/equipment). At this time, costs are uncertain but should not exceed the costs outlined in the included budget. As stated above, there will be a bi-annual reconciliation of budgeted and actual cost contributions. Cost adjustments due to downsizing will be noted as the year progresses and will be reflected during the invoicing process.

H. Invoicing:

Invoicing will occur on a quarterly basis beginning after September 30, 2024. The Maine Department of Administrative & Financial Services will invoice all residents. The Central Western Maine Workforce Development Board will invoice non-residents and forward the revenue to the state.

I. Steps to Reach Consensus:

All Parties will make a good faith effort to negotiate and agree on IFA shared costs and that the IFA will be reconciled every six months and renewed annually. The annual operating budget of the Lewiston CareerCenter will be presented each year to all Parties and the allocation bases reviewed and modified as necessary.

J. Dispute and Impasse Resolution:

All Parties will actively participate in local IFA negotiations with good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, the process outlined in the Dispute Resolution section of the Local Area Memorandum of Understanding must be followed. If the Parties to this IFA have employed the dispute resolution process in the MOU and have failed to reach consensus on an issue pertaining to the local area IFA, then an impasse is declared, and the State Funding Mechanism (SFM) is triggered as stated in State Workforce Board Policy PY19-04 Infrastructure Cost Sharing.

K. New Administration Policies that Affect WIOA Funding

The 2025-2026 IFA might be subject to guidance developed and/or significant/permanent reduction of WIOA funding by a new administration. If a partner's WIOA funding is significantly reduced or cut entirely, or if new guidance/directives impact a partner's ability to contribute to the One Stop Operating Budget, that partner must contact the executive director of the Central Western Maine Workforce Development Board. The executive director will call a meeting of all partners to develop equitable solutions.

L. Signatory Forms:

Central Western Maine Workforce Development Board
Infrastructure Funding Agreement
with
The Maine Department of Labor - Bureau of Employment Services

On Behalf of the Following Programs & Services:

- **Wagner-Peyser Labor Exchange and Employment Services**
- **Trade Adjustment Assistance Services**

Maine Department of Health and Human Services Office of Child and Family Services (OCFS)

On Behalf of the **Community Block Grant** program,
By signing this form, I certify that I understand and agree:

- With the contents of the attached **Infrastructure Funding Agreement (IFA)**, which remains in effect for one year **through June 30, 2026**;
- That customers of the one-stop system will have direct access from the Lewiston CareerCenter to CSBG employment and training programs and services available through Community Concepts, Inc.;
- With the overall operations budget identified for the Lewiston CareerCenter;
- Cash and/or in-kind contribution amounts assigned to each of the programs listed above;
- That the contributions identified will be evaluated and reconciled semi-annually;
- With the allocation formulas identified in the attached IFA;
- That should any changes in available program funding from the above programs occur, that I will notify the CWMWDB to ensure adjustments are made in a timely manner.
